GENERAL INFORMATION

CONDITION PLUS WD™ is a unique one-of-a-kind, multi functional adjuvant for use with glyphosate herbicides. **CONDITION PLUS WD™** deactivates hard water ions (Ca, Mg, Fe) to allow the pesticide to perform more effectively. **CONDITION PLUS WD™** includes real ammonium sulfate (AMS). **CONDITION PLUS WD™** contains a full load of a unique, highly effective nonionic surfactant (NIS) system. **CONDITION PLUS WD™** also contains the research/field proven polymer blend **CONTROL WM™** that increases deposition and reduces drift. This allows more pesticide to reach the target and higher retention of spray solution on plant surfaces. **CONDITION PLUS WD™** contains an effective level of premium antifoam/defoamer.

The concentrated formula provides superior water conditioning, surfactant, and spray retention and deposition system that reduces spray drift.

USE RATES:

Soft water: Use 2 qt/100 gal.

Hard water: Use 3 to 4 qt/100 gal.

***CONDITION PLUS WD™** is compatible with all formulations of glyphosate

WARNING:

May be harmful if swallowed.
Causes eye irritation.

INGREDIENTS:

Ammonium Salt (CAS #7783-20-2)

PRECAUTIONARY STATEMENTS:

Do not eat, drink or smoke when using this product. Dispose of contents/container in accordance with federal, state and/or local regulations. **If swallowed:** Call a POISON CENTER or doctor/physician if you feel unwell. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do - continue rinsing. If eye irritation persists get medical advice/attention.

FIRST AID:

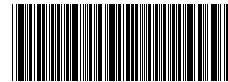

Eye contact: Check for and remove contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **Ingestion:** Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.

STORAGE AND DISPOSAL

Protect from freezing. Store above 32°F. Do not reuse empty container. Dispose of container in accordance with federal, state, or local regulations.

Seller makes no warranty of fitness or merchantability. Buyer agrees that seller's maximum liability shall not exceed the purchase price of this product.

**Read Safety Data Sheet (SDS)
before using this product.**
